Farmingville, NY - Councilman Kevin LaValle has announced that "Jungle Bob's Reptile World" is the Business of the Month for April in Council District 3. The award, which is the first presented by the Councilman, is given to a business that deserve special recognition for the positive impact that they have on the community. "Jungle Bob" Smith, who has owned the store located at 536 Middle Country Road in Centereach since 2008, is a pioneer in the proper care of reptiles in captivity and shares his knowledge with thousands of people through informative travelling live animal presentations and special events at schools and libraries. Bob also serves on the board of the Greater Middle Country Chamber of Commerce and supports many local charitable organizations. On June 8, "Jungle Bob" will be at the Centereach Fair where he will have a booth and perform on stage with some of his most popular reptiles.

"Jungle Bob's is more than just a pet store, it's an experience unlike any other." said Councilman LaValle. "This is a unique business right here in Centereach that attracts people from all over Long Island. Bob is passionate about his business, a strong advocate for reptiles and a dedicated conservationist who has worked hard to protect the natural habitats of reptiles all over the world. He's one of a kind and I'm happy that his business is in Brookhaven Town."
